

1

Write down your seed phrase.

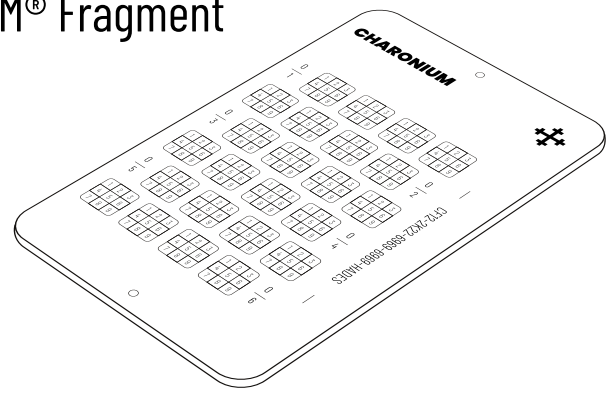

2

Use the BIP-39 wordlist to convert each phrase in a 4-digit code

3

Place your CHARONIUM® Fragment on a sturdy surface

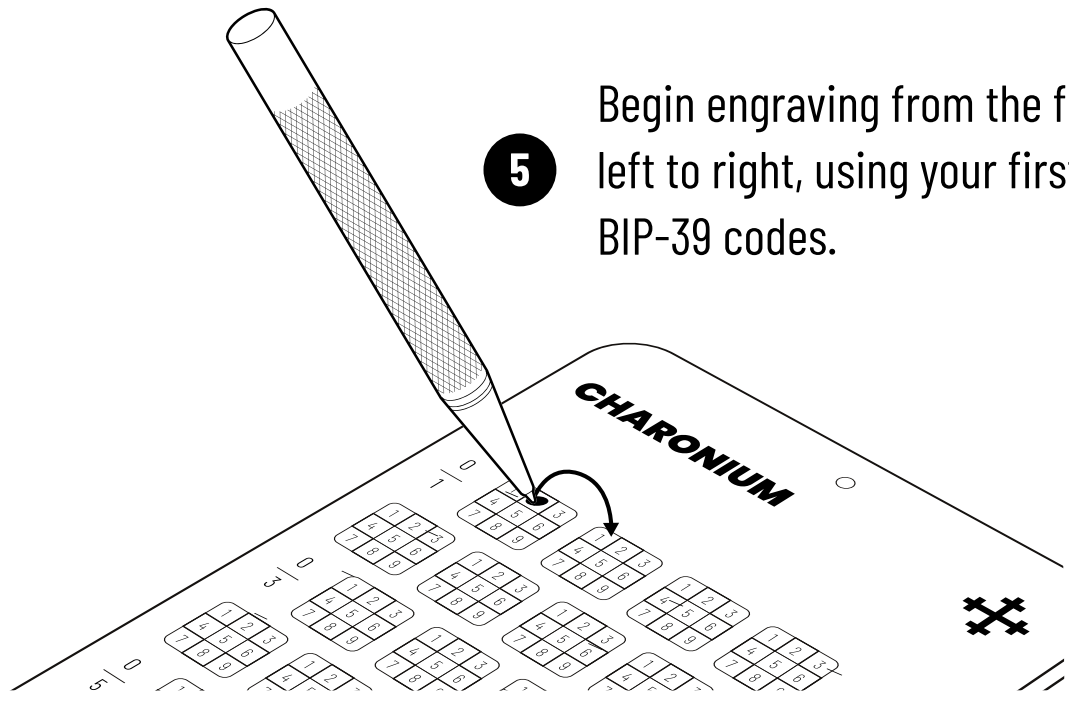

4

Gather the provided puncher and a hammer.

5

Begin engraving from the first row, left to right, using your first set of BIP-39 codes.

6

Proceed to each subsequent row, engraving the corresponding codes. If a code is '0', leave that cell blank.
